PAVEMENT PATCHING on I-80 & I-39

(Daytime Ramp Closures)

Ottawa, IL – The Illinois Department of Transportation announces that intermittent daytime ramp closures at the I-80 and I-39 Interchange will begin on Wednesday, September 2, 2015.

A \$600,194.15 contract has been awarded to G.M. Sipes Construction, Inc. of Rushville, IL for the work. The project work includes pavement patching on I-39 in LaSalle County. During ramp closures, existing cloverleaf ramps will be utilized as detours. Message boards and signs will direct motorists through the detour. Ramp closures are expected to last approximately 10 days with all ramps open during the Labor Day Holiday weekend.

Motorists are urged to use extreme caution when traveling near or through the work zone.

Please slow down and use extreme caution while driving through all work zones.

Contract No. 66E32
